The Honorable Jaime Alba
Charge d'Affaires
The Spanish Embassy
Washington, D. C.

Dear Mr. Alba:

I appreciate your kind letter of August 25, 1958, and enjoyed our conversation together this evening at Al Ulmer's. It was good of you to note my visit to your country.

As I told you, I am hoping to leave on Friday for a brief European visit, partly on pleasure and partly on business. In the course of it, sometime during the middle of September, I am hoping to visit Madrid. I can assure you that I will notify your Government, through our Embassy, when my plans are definite. Mrs. Dulles and I appreciate your courtesy in according us the visas, and I hope to have the pleasure of seeing you upon my return.

Faithfully yours,

Signed

Allen W. Dulles
